Response to Restriction Requirement and Election of Claims

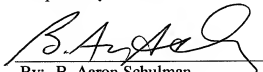

Sir:

In response to the Restriction Requirement dated February 19, 2009, and without addressing the positions of the Examiner therein, including the argument that Claims 47 and 61 were anticipated by prior art, which will be addressed at the appropriate time, Applicants elect Group 2, claims 79-93, drawn to an apparatus for monitoring glucose.

In light of the response above, examination and allowance of the elected claims is respectfully requested.

Respectfully submitted,

Date: March 19, 2009

By: B. Aaron Schulman
